

# COOKIE POLICY

How we use cookies and similar technologies on our website.

- Jays Shop uses cookies and similar technologies (such as localStorage) to make our website work and to improve your experience.
- Essential cookies are required for core functionality — keeping your cart, holds, language preference, and consent choice — and cannot be disabled.
- A first-party consent cookie (jays\_consent) records that you have accepted our policies so we do not ask you again on every visit. It expires after 12 months.
- Performance cookies help us understand how visitors use the site (pages visited, load times) in aggregate, anonymized form so we can improve our services.
- We do not use third-party advertising or cross-site tracking cookies. Your browsing on Jays Shop is not sold to or shared with advertisers.
- Your language preference and recently viewed products are stored locally on your device to personalize your visit.
- You can clear cookies and site data at any time through your browser settings. Doing so will reset your preferences and you will be asked to accept our policies again.
- For questions about how we use cookies, contact us at Gate 5: 416.341.2904.
